Increased Value

14.14.1 If any Increased Value insurance is effected by the Assured on the subject-matter insured under this insurance the agreed value of the subject-matter insured shall be deemed to be increased to the total amount insured under this insurance and all Increased Value insurances covering the loss, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

Waiver

17. Measures taken by the Assured or the Insurers with the object of saving, protecting or recovering the subject-matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

AVOIDANCE OF DELAY

5.1.2 terminates, subject to 5.2 and 5.3 below, either as the subject-matter insured and as to any part as that part is discharged from an oversea vessel at the final port or place of discharge, 1/1/09

or

on expiry of 15 days counting from midnight of the day of arrival of the vessel at the final port or place of discharge, whichever shall first occur; nevertheless,

subject to prompt notice to the Insurers and to an additional premium, such insurance

5.1.3 reattaches when, without having discharged the subject-matter insured at the final port or place of discharge, the vessel sails therefrom, and

on expiry of 15 days counting from midnight of the day of re-arrival of the vessel at the final port or place of discharge or arrival of the vessel at a substituted port or place of discharge, whichever shall first occur.

If the subject-matter insured is subsequently reshipped to the original or any other destination, then *provided notice is given to the Insurers before the commencement of such further transit and subject to an additional premium*, this insurance reattaches

Insolvency Exclusion Clause (JC93)

It is hereby agreed that the exclusion contained within the Institute Clauses, “loss damage or expense caused by insolvency or financial default of the owners managers charterers or operators of the vessel” is amended to read as follows:

“In no case shall this insurance cover loss damage or expense arising from insolvency or financial default of the owners managers charterers or operators of the vessel where the Assured is unable to show that prior to the loading of the subject-matter insured on board the vessel all reasonable practicable and prudent measures were taken by the Assured, their employees and/or agents to establish the financial reliability of the party in default”.

This exclusion shall not apply where this insurance has been assigned to the party claiming hereunder who has bought or agreed to buy the subject-matter insured in good faith under a binding contract.

Termination of Transit Clause (Terrorism)

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith.

1 Notwithstanding any provision to the contrary contained in this Policy or the Clauses referred to therein, other than as detailed in clauses 2 and 3 below, it is agreed that in so far as this Policy covers loss of or damage to the subject-matter insured caused by any act of terrorism being an act of any person acting on behalf of, or in connection with, any organisation which carries out activities directed towards the overthrowing or influencing, by force or violence, of any government whether or not legally constituted or any person acting from a political, ideological or religious motive, such cover is conditional upon the subject-matter insured being in the ordinary course of transit and, in any event, **SHALL TERMINATE:**

either

1.1 As per the transit clauses contained within the Policy,

or

1.2 on completion of unloading from the carrying vehicle or other conveyance in or at the final warehouse or place of storage at the destination named herein,

1.3 on completion of unloading from the carrying vehicle or other conveyance in or at any other warehouse or place of storage, whether prior to or at the destination named herein, which the Assured or their employees elect to use either for storage other than in the ordinary course of transit or for allocation or distribution, or

1.4 when the Assured or their employees elect to use any carrying vehicle or other conveyance or any container for storage other than in the ordinary course of transit,

1.5 in respect of marine transits, on the expiry of 60 days after completion of discharge overseas of the subject-matter insured from the overseas vessel at the final port of discharge,

1.6 in respect of air transits, on the expiry of 30 days after unloading the subject-matter insured from the aircraft at the final place of discharge,

whichever shall first occur.

2 Where loss of or damage to the subject-matter insured caused by any act of terrorism occurs after termination of cover, or outside the ordinary course of transit, as defined in clause 1 above, but is otherwise covered by virtue of the policy terms and conditions making specific provision to cover goods in store outside the ordinary course of transit, the termination provisions above are not applicable but Insurer’s liability in respect of any one event will be limited to £100,000.

3 Where specifically agreed, and an additional premium paid, the provisions of clause 2 above shall apply in respect of the subject-matter insured whilst on exhibition. In the absence of such specific agreement, and the payment of an additional premium, cover in respect of the subject-matter insured whilst on exhibition shall be subject to clause 1 above and clause 4 below.

4 If this Policy or the Clauses referred to herein specifically provide cover for inland or other further transits following on from storage, or termination as provided for above, cover will re-attach, and continues during the ordinary course of that transit terminating again in accordance with clause **1**.

5 This clause is subject to English law and practice.
